FREQUENTLY ASKED QUESTIONS

Q1 : I have forgotten my password. What should I do?

Please refer to **paragraphs 6-10** in **Annex A**. You may refer to
go.gov.sg/loginissues for all login issues.

Q2 : I have forgotten my username. What should I do?

The format of your user name is a combination of the first 5 characters of your
Name, the last 4 digits and the letter of your NRIC/FIN/BC, e.g. (RACHE1234Z).

In rare cases, two or more students might share the same 10 characters. In such
cases, their username may be affixed with a number, e.g. (RACHE1234Z_01).

If you are still not sure of your username, please approach your teacher.

Q3 : My account has been locked. What should I do?

Your account will be locked after **10 consecutive** attempts to log in with an incorrect
password.

Please approach your school's SLS administrators to unlock your accounts.

Alternatively, you may call the SLS Helpdesk to unlock your account. You will
need to answer the security questions to verify that you are the legitimate
account holder. Please refer to paragraph 10 in Annex A for the contact details.

**Q4 : I used the "Password Reset Link Method" but I cannot find my
password reset email. What can I do?**

If you cannot see the email in your inbox, it may be in the spam or junk email
folder. It is also possible that you have not keyed in or verified the email address
in SLS.

Note: The URL in the email will expire within 20 minutes. If the URL has expired,
go to the login page and select "Forgot Password" to try again.

Q5 :   Can I change the security questions?

Students can log in to SLS to change the answers to their security questions.
However, the questions are fixed.

Q6 : What are the Operating System and Browser Requirements for SLS?

Android tablets. For a good user experience, tablets should have a screen size of
